Holtex, le service, le contact

Afin d'assurer le meilleur traitement possible de vos commandes, nous vous remercions d'indiquer sur le libellé de vos commandes la référence du produit, sa désignation complète et son coloris si nécessaire.

Traçabilité

Dans un souci de suivi de nos produits, vous vous engagez, en tant que revendeur de matériel médical, à nous fournir, en cas de demande de notre part, la destination des produits revendus.

Qualité

L'assurance qualité est une culture affirmée au sein de l'entreprise Holtex depuis 1997. Cette politique marque la volonté de vous assurer une écoute et un service à la hauteur de vos attentes, ainsi que le respect des exigences réglementaires relatives aux produits.

La société est certifiée ISO 9001 : 2008 et ISO 13485 : 2003.

Nos dispositifs médicaux sont marqués par ou sous la surveillance de MDC, organisme notifié, selon la directive 93/42/CEE.

Notre instrumentation de chirurgie en inox est garantie 2 ans, par remplacement pur et simple de l'instrument reconnu défectueux de notre fait.

Holtex peut réaliser également toute fabrication spéciale d'instruments de chirurgie, n'hésitez pas à nous consulter.

Holtex, le service, le contact

Export

L'objectif de notre société est, depuis sa création, d'assurer aux sociétés du secteur médical un rôle de conseil efficace, des prix extrêmement compétitifs, une logistique efficace avec notamment le regroupement de vos besoins d'approvisionnement.

Nous avons mis en place de longue date une cellule dédiée exclusivement à l'export qui vous permet de bénéficier d'un contact privilégié, d'une grande réactivité de réponse dans la gestion de vos demandes de cotations et appels d'offre ainsi que d'une réelle maîtrise de vos contraintes douanières et logistiques.
